

GREAT MEN'S LITTLENESS.

Some people think my pa is great
Because he's made a pile,
And we've a better butlin' here
And put on lots of style.
Pa wears a plug hat every day
And bosses lots of men.
And cats at clubs—I guess he must
Belong to nine or ten.
He's seen a lot of splendid sights
And been 'most everywhere.
But still I guess he's not so much—
He never killed a deer.

We've got the biggest house in town
And friends to beat the band.
And ma she's awful proud of pa
And seems to think he's grand.
He owns a bank all by himself
And has a private car.
Our coachman says my pa's as rich
As kings and princes are;
But still just havin' lots and lots
Of dough ain't everything—
He never won the championship
By fightin' in the ring.

My pa he made himself, because
I've heard him sayin' so,
And that's no easy job. The Lord
Made other folks, you know.
The papers print his picture, and
We've lots of paintin's, too.
He's been in war a-fightin' for
The old red, white and blue.
He made a million in a year,
But still he ain't so much—
He has to have a teacher here
To teach him French and Dutch.

COURT DAY STOCK

Looked Like It Had Just Emerged
From the Ark

Yesterday was County Court Day and being
on the eve of the election the city was full of
people all day.

The stock sale in Limestone street was de-
void of all interest. There were plenty of skin-
ny horses, a few mules and some sheep on the
market, but the buyers were few and far
between.

It was hotter than a circus to visit the
trading ring in the rear of Davis's Coal Docks.
The animals were emaciated and scarcely
able to stand, while some of the rigs were of
the ante deluvian age and fit companions for the
horses. It was in fact an old boss sale in
every sense of the word.

It is a matter of regret that the last days of the campaign for some of the city offices were marked by personal bitterness and angry disputes. Every citizen has a right to aspire to office, and the canvass should be conducted in a dignified, gentlemanly way. After the battle is over, victor and vanquished should be friends and not enemies.

In view of the continued rioting throughout Russia, it looks like the Czar made a mistake, after all, in conferring liberty on such a lot of cattle. The rope or a shot from a rifle appears to be the only safe and sure cure for Anarchy.

THE action of Mayor STALLCUP in appointing a few extra Policemen for wide-awake duty during Hallowe'en cost the taxpayers \$10. It is safe to say that it saved them twenty times that amount. Everybody will praise the Mayor except the vandals whose "fun" was spoiled.

"When the President or head of an executive department is satisfied that an officer or employee in the classified service is inefficient or incapable and that the public service will be materially improved by his removal, such removal shall be made without hearing; but the cause of removal shall be stated in writing and filed.

MISTAKES

Are frequently far reaching, and universally so when one buys any article other than the very best in the way of supplies for the table. The country is full of state, inferior and poisonous stuff, which is every day being palmed off on an unsuspecting public for good and wholesome foods. Because of this the straightforward, honorable and conscientious dealers throughout the country are united in an effort to induce Congress to pass a universal pure food law, which will prohibit the manufacture and sale of impure and poisonous foods, such as are now being sold by unscrupulous dealers, and consequently drive out of business all the "cheap johns" concerns that deal only in such stuff. I began business in Maysville over twenty-five years ago determined to only handle the best, and honestly with my customers and never misrepresent anything to make a sale. Whatever success I have had with you I attribute to at all times standing by that determination. My experience of more than forty years in the business has qualified me to know the good from the bad when making my purchases, and has also satisfied me the true road to success is to deal fairly and honorably with the public, sell the best goods at fair prices and never practice deception to make a sale.

I am now getting in my larger purchases for the fall and winter trade and I do not hesitate to say that when all is said and opened up in this market, always reliable. I don't have to be continually changing to find something better. It is truly what the word implies—Perfection.

In the blended Coffees I have the run, because I sell only the best at reasonable prices, always fresh, still going at 15c, 20c and 25c. I want every person to visit my store, and a special invitation is extended to country people when in our city to make my house their headquarters. You are always welcome, and it will be the old-fashioned Kentucky kind. I pay cash for Butter, Eggs, Poultry and Country Produce such as I need in my trade, but will only buy the very best. If I please you I want you to be sure and tell all your neighbors and friends. If anything wrong, come direct to me and don't mention it to any one else; I make everything right.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing;—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

HERE'S A GOOD, STOUT KICK!

The handbill entitled "The Record," which was circulated last week in this vicinity, is the hottest thing that has come up the pike since Easter. Why is it that such plain violations of the law: such plain graft as this school fund steal, is condoned by the good people of Old Mason county? Echo seems to answer, Why?

We think the solution of the question is easy, and is answered with one word, Ignorance! And why are the people ignorant? Because they do not take and read the county papers. And why don't the people of the county take the county papers? Because the county papers, of all shades of politics, it seems, are afraid or at least do not publish all the facts concerning the misdoings, including the graft practice of our officials. This School Fund Graft is simply outrageous and is probably the largest, but there are scores of smaller ones going on all the time; just one small one to illustrate: A neighbor, who lives just over the line in Lewis county, owns a tract of land in Mason. He is illiterate but honest, and comes down to Maysville annually to pay his taxes. This laudable practice went on for years, but he never dreamed that our Sheriff was adding to his land tax a poll tax. This little steal went on for years, but Mr. Illiterate finally got onto the racket. Then he was coolly informed that the present Deputy Sheriff could only pay back the dollar that he had collected this year. How many similar cases have been going on for the past decade? We think the county press could itemize a good many. We are a common hayseed and don't profess to know how to run a newspaper; but we know lots of Democrats who would subscribe and pay for their county papers if the management would make it spicy. We know scores of Republicans who would support their county papers if their managers would write up all cases of graft, and unlawful doings of the party in control of the Fiscal and other affairs of the county. TENOR.

It is proper to say that, since "The Record" was issued, the four Democratic Magistrates

who so solemnly swore to the "facts" have retracted; that is, they have sworn that they had sworn. Moreover, Superintendent Wells and Attorneys E. L. Worthington and Thomas D. Slattery, who were opposing Counsel, are authority for the statement that there was no impropriety in the employment of Judge Newell as Counsel in the case.—EDITOR LEDGER.]

The Lexington Herald of Sunday has the following of much interest in this county, the bride's former home:

A telegram received here yesterday by friends announced the marriage of Mrs. Tillie Worick and Mr. Leonard Mattingly, both of this city, which was celebrated yesterday very quietly in St. Louis, Mo. The news comes as quite a surprise to their friends and all are joining in wishing them much happiness. The bride is handsome and attractive. She was formerly of Mayville, and has been here for nearly two years with her two young sons making her home. Mr. Mattingly, formerly of Lebanon, has won many friends with whom he is very popular. After a short trip they will return to Lexington to reside.

ANOTHER WONDERFUL CURE BY CUTICURA

"No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies, and I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with sores. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ointment. I continued with the Soap and Ointment, and have taken four bottles of Cuticura Resolvent, and consider myself well. Any person having any doubt about this wonderful cure by the Cuticura Remedies can write to my address, Mrs. Altie Etson, Bellevue, Mich."

That Cuticura Soap, Ointment, and Pills are such stands proven beyond all doubt. Cuticura Soap, Ointment, and Pills are sold throughout the world. Write Drug & Chem. Corp., Boston, Mass. Proprietors. River News

Gage 8.6 and falling.

There are at present five boats on the Marine
Ways at Madison.

Thanksgiving turkeys will shortly begin to
be large items of the freight business on the
packets.

The amount required for the completion of
the existing project on the Falls of the Ohio
river at Louisville is estimated in the annual re-
port of the Chief of Engineers at \$477,569.79.
The balance available on July 1st last was only
\$73,419.

The business the past ten months on the Ohio,
so far as coal shipping is concerned, has been
a record-breaker. Every month of the present
year shipments have been made from Pittsburgh
and the outlook is favorable for a complete re-
cord for 1905 in this matter.

T. S. McGinnis, an old riverman, died Sun-
day at his home in Newport, aged 87. Mr. Mc-
Ginnis ran in the Mayville, Portsmouth and
Pittsburgh trade as engineer, and also in the
New Orleans and Red River and the Upper Mis-
sissippi. He served on the Scioto, Bell Air, Bos-
ton, Boone, Kenton, Daniel Boone, Yorktown,
James Park and other boats.

Since the Rivers and Harbors Committee
made their trip over the Ohio river in May last,
more than ordinary interest has been aroused
in the improvement of this great waterway and
its tributaries, and the influence of this journey
has extended beyond the boundaries of the Ohio
Valley so that the coming Convention of the
Ohio Valley Improvement Association at Cairo,
Ill., will be, in a measure, National in its char-
acter.

Deafness Cannot be Cured

by local applications, as they cannot reach the dis-
eased portion of the ear. There is only one way to
cure deafness and that is by constitutional reme-
dies. Deafness is caused by an inflamed condi-
tion of the mucous lining of the Eustachian tube.
When this tube is inflamed you have a rumbling
sound or imperfect hearing, and when it is entirely
closed, deafness is the result, and unless the in-
flammation can be taken out and this tube re-
stored to its normal condition, hearing will be
destroyed forever; nine cases out of ten are caused
by Catarrh, which is nothing but an inflamed
condition of the mucous surfaces.

We will give One Hundred Dollars for any case
of deafness (caused by catarrh) that cannot be
cured by Hall's Catarrh Cure. Send for circulars
free.

THE TOBACCO QUESTION

MASON COUNTY, October 31st, 1905.

To the Editor of The Ledger: I notice in
your paper of today the publication of the
meeting of a few of the tobacco growers of
Mason county, I being there myself. Think it
very kind of you for publishing the object of
the meeting, but do not think your ideas are
right in regard to the future of the tenant.
In the first place, every tenant depends on a
crop of tobacco for most of his living, and now
every tenant has his tobacco in his own hands
(that is, under his control) and if the land
owners and tenants sign a contract not to plant
any tobacco for 1906, with the 1905 crop in his
possession, he does not sign a contract "to
stay put in the cold" if he has not been prosper-
ous and saved some money, but signs a con-
tract to save one year's toil and sell the crop
he has on hands for as many dollars as he would
get for this crop and the one he intends to grow
in 1906. But if he refuses to sign, he is sat-
isfied with the price, which will be very low—
not over an average of \$7 per hundred pounds
—and would rather do a year's work in another
crop than to sell the one he has on hands for
\$14, which is a very low estimate with one crop
short.

You are wrong again about the tenant having
to live in idleness if he should plant no crop
for 1906. Every land owner for the past four
or five years has been short of laborers, has
had to neglect his farm on that account, so the
tenant will have plenty to do, if he wants to
work, at good wages, and besides there are
plenty of crops he can plant to help support
him—corn, potatoes, wheat, raise a good gar-
den, plenty of poultry, sell butter and eggs,
and eat what he can't sell. That's the way
many a man has gotten rich, but all this you
don't know; you are not a farmer. Help the
man who helps you; don't try to pull him down.

During his two years sojourn with us Mr. Walton has made many staunch friends, who will regret the loss of his Christian example. Mr. Frank P. O'Donnell's "card" to the public is being heartily discussed among the voters. It has sprung questions that are voiced in no gentle tones—such as why is it that we taxpayers and the public generally have known so little of the expenditure of the county's funds—for a number of years. Why are not reports more often made in our county papers? &c., &c.

A \$5 Suit of XTRAGOOD Clothes

Free to the Best Boy Detective

The man who sells XTRAGOOD boys' clothes for Ederheimer, Stein & Co., Chicago, is coming to see us within ten days. We will give free any XTRAGOOD suit in our store to the first clever boy under 16 years of age who finds THIS man before he leaves town.

WHAT YOU MUST DO

When you think you have found the right man, say to him: "You are from Ederheimer, Stein & Co., Chicago, and sell XTRAGOOD Clothes." Remember these words. If you say anything else he will not answer.

While this is giving the little men considerable attention, we are yet mindful of the fancies of those who have passed the happy age of sixteen. IN MEN'S CLOTHING and Furnishings we have all that good dressers desire.

CAN'T BE SEPARATED.

Some Maysville People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them.

And you can't get rid of the backache until you cure the kidney ache.

If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

Mrs. J. B. Gibson, of 22 East Fourth street, Maysville, Ky., says:

"The prompt and thorough action of Doan's Kidney Pills should recommend them to every one suffering from backache or kidney troubles. I have known the value of this remedy for several years. Its use in my case proved to me that it is a reliable kidney cure and cannot be excelled for backache or weakness of the kidneys. I have recommended Doan's Kidney Pills before and I should advise every sufferer to get a supply at J. Jas. Wood & Son's Drugstore and try them."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
